

PUBLIC MEETING – GIFFORD HOUSE SITE

**You are invited to attend a Public Meeting to discuss the
Development of the Gifford House site
on Wednesday November 28th at 8 pm
at Archdeacon Cambridge School Hall on Twickenham Green**

Agenda

- 1) A discussion on the **Council's refusal** to have a Planning Brief for the site which would safeguard local residents' interests. This is despite the fact that the Council is having a Planning Brief for the Star & Garter Site in Richmond even though there will be no rebuilding. A Planning Brief gives developers clear instructions about what can be put on the site.
- 2) Details of designs **already** proposed by the Council for a Children's Assessment Centre on the site of the old Nursery.
- 3) How local residents can make their **opinions** heard by the Council.

**This is a very important meeting to find out what
local residents want on the Gifford House site.**

**Please come along and find out what the plans for the
site are and how you can have an input.**

For more information please ring your ward councillors
