

## Opinions on Twickenham Council Poolsite Development Brief

Twickenham Society and York House Society meeting, 18 Feb 2008

You are invited to indicate how you feel about various aspects of the brief, as shown in the Council's public consultation at York House from 13-17 February. The results of this survey, without names and addresses, will be given to the Council as part of the Twickenham Society Group's and York House Society's submission. Updates will appear on the River Centre [www.rivercentre.org.uk](http://www.rivercentre.org.uk) and Twickenham Society's site, [www.twicksoc.org.uk](http://www.twicksoc.org.uk)

You are invited to indicate how well you think the consultants have addressed various aspects of the brief.

**The scale of scoring is from 1 (very poor) to 5 (very good).**

Aspects of the Brief		Comments	S C O R E				
			1	2	3	4	5
1.	How well does it relate to: (a) the river and (b) the town						
2.	Scale: size, height and number of buildings						
3.	Traffic management and parking						
4.	Housing (enabling development)						
5.	River Centre (plus café, restaurant and toilets) and pontoon						
6.	Open Space: type, quality, uses						
7.	Playground: size, location, facilities						
8.	Other important aspects						

(please turn over)

(please turn over)

**Trade-offs – there are several variables relating to the poolsite. Which would you prefer? (please tick)**

9.	Leave the site as it is now	<input type="checkbox"/> support	<input type="checkbox"/> maybe support	<input type="checkbox"/> oppose	<input type="checkbox"/> strongly oppose
10.	Housing as in the Council's proposed scheme, with the River Centre, landscaped open space including the play area, and improvements to the Embankment	<input type="checkbox"/> support	<input type="checkbox"/> maybe support	<input type="checkbox"/> oppose	<input type="checkbox"/> strongly oppose
11.	One and a half times as much housing with more public benefits - please specify the benefits:	<input type="checkbox"/> support	<input type="checkbox"/> maybe support	<input type="checkbox"/> oppose	<input type="checkbox"/> strongly oppose
12.	Other ideas? Please give details	<input type="checkbox"/> support	<input type="checkbox"/> maybe support	<input type="checkbox"/> oppose	<input type="checkbox"/> strongly oppose
